I have negotiated a discounted hotel room rate at the Hilton Arden Way of \$139/night plus taxes.

- You are not required to stay at the hotel, but in order for WCS to receive the discounted room rate I am required to guarantee reservations for 100 room nights (not individual reservations).
- I highly suggest you make your hotel reservations as soon as possible. There are no fees charged until you actually stay at the hotel.

- Please remember you are responsible for your own hotel room fees. The cutoff date to receive the discounted rate is April 17, 2025. Hotel Reservations for 2025 can be made by using either option A or B:
  - A) You can call the hotel direct at: 916-922-4700 ext #1 and the Group Code is: 90N
  - B) Click on the following link: <https://group.hilton.com/44z30e>
- In the event the Group Block is full I will try – not promise – to have additional rooms added to the block. Please call me if the Group Block is full.
- If we do not meet the goal of 100 room nights, I will personally be required to pay for the balance of unreserved rooms.

If you have any additional questions regarding WCS 2025 you can email or call me anytime.

Regards,

Kate Matthews
